

Circular No: 148/2020-21

Date: 26.03.2021

Subject: TO REGISTER - ITTA's Certificate Courses on Protective Textiles: First Course from 12th - 16th April 2021

Dear ITTA Members,

Greetings from ITTA!!!

We are pleased to inform you that the **Indian Technical Textile Association (ITTA)** is launching the **Certificate Courses covering all major segments of Technical Textiles. To start with, we plan to focus on key three segments like Medical Textiles, Protective Textiles and Nonwovens.** Subsequently, the course will be extended to the other Technical Textile segments as well.

The **FIRST COURSE ON PROTECTIVE TEXTILES** is scheduled from **12th -16th April 2021** on the Digital Platform. The course will be for a duration of **Five Days (4 Hrs/Day)** and the timing will be in the **afternoon 3.00 - 7.00 pm** which will be suitable for working employees. **The Course Flyer, Detailed Program and Admission Form of the Protective Textile Course are enclosed herewith.**

As you may be aware that the Indian market of Technical Textiles is about USD 19 Billion (Rs. 1.45 Lakh Cr.) as against Global Market of USD 256 Billion in 2019, but our average growth rate is 12% (CARG) which is much higher than the global level of only 4%(CARG). Technical Textile has grown rapidly in India and identified as the sunrise sector with a lot of opportunities in the coming years.

The course has been designed for candidates employed in the industry and students to understand the importance of Technical Textiles and their emerging opportunities. The course will give in-depth knowledge on the subject thru Theory & Practical and Opportunity to interact with Industry Experts and will benefit the candidates/ students aspiring to make a career in the Technical Textile Industry.

The course schedule will cover topics such as Overview of all 12 Verticals of Technical Textile, Products covered under Specific Vertical, Manufacturing Processes, Input Materials used, Maintenance Practices, Process & Quality Control Techniques, Performance Standards, Testing & Compliances, Supply Chains-RM to Finished product and Overview of Applications which are the focus areas for firms aspiring to globalize their operations.

Students will be given a Certificate with Grades after successful completion of the course. The Certificate will be uploaded in the ITTA website and will be honoured by the Industry.

We would appreciate your enrollment in the course by nominating your executives to get them trained. You can avail of the following benefits -

i) Early Bird Discount - if you book the seats **on or before 31st March 2021** for the Protective Textile Course.

ii) Group booking discounts - as stated in the Admission Form.

For enrollment, please send us the enclosed Course Admission Form duly filled-in with all details along with the full payment in favour of ITTA towards the admission fees on Email Id - info@ittaindia.org.

ALL REGISTRATIONS WILL BE CLOSED BY 5th APRIL 2021.

In case of any query, please feel free to contact us.

Thanks & Regards,

Dr Anup Rakshit

Executive Director
