Circular No: 79/2019-20

Date: 13.02.2020

Subject: Request to share information on HSN Codes for Technical Textile Items falling under "OTHERS & PRODUCTS NOT DEFINED EARLIER" Category

Dear ITTA Members,

Greetings from ITTA!!!

As you are aware that after the release of 207 HSN Codes on Technical Textiles by MoC&I /MOT, ITTA has written to all its Members to share the information on the subject cited above. But we are surprised to observe & inform you that we had received replies **only from a very few members.**

This work has become more and more important & seriously to be taken by the industry after the Union Minister of Commerce & Industry, Shri. Piyush Goyal released a Press Report in ET (posted in members' WA on 16/01/2020 - copy enclosed) stating that **heavy tariffs will be imposed on the products categorised as "Others"** wherein he has also said that they will start the process to create a separate HSN code if it is not fitting into any existing code or amend the existing code.

Therefore, we are again requesting you to **share Technical Textile Items/HSN Codes used by you that are falling under "OTHERS & PRODUCTS NOT DEFINED EARLIER" and you want to allocate New HSN Code to correctly define your products.**

As required by the MOC&I/ MOT & Revenue Dept), please fill-up the enclosed FORMAT at the earliest by following the guidelines given below for filling up the data in the format-

- i) Fill-up "Current HSN Code with Description" vs. "Proposed description", "Production Volume & Sales Value (last 2 yrs)", you need not to give "Proposed New HSN Code" - as it will be done at a later stage.
- ii) Do not change the Excel format, i.e. rows/ columns.

Requesting to all ITTA members who have not sent the filled-up format earlier, please click on the following link –

Best Regards,

Dr Anup Rakshit
